Dear Player,

We were over-subscribed and were unable to accept late entries. All girls' entries were accepted; some boys were put onto the reserve list in the various events either because partners were not available or we were unable to fit the matches in. We will give you at least 48 hours' notice if a place becomes available.

The singles events for both the Boys' Singles have been split into 'A' & 'B' sections as follows:

- players graded 'H' or higher were put in the 'A' section
- any remaining players were placed in the 'B' section

Unfortunately, we did not have enough entries in the Girls' Singles to split them.

Please check your entry very carefully on the following page or on the BE Compete website (see below) to ensure that your entry has been recorded correctly. If any of the details are incorrect or you are unable to play please contact the Tournament Secretary as soon as possible by using the contact telephone number given below.

In the event of a withdrawal, refunds may be claimed in accordance with the Conditions of Entry on the entry form; you must give at least **48 hours'** notice to be eligible for a refund.

Please read and complete the attached sheet re: Videoing and Photographing at this event if required.
